

Vacation Bible School (VBS)

Our largest event for children is Vacation Bible School held in the summer. For four days, children, grades K-5, are a part of a small group and attend workshops like Bible study, recreation, snack and crafts. There are many special bonuses just for children during this week that include lively worship rallies with singing and games and a big Fair.

It's an incredible experience full of memorable activities for everyone involved! VBS has a different theme each year!

Take a Chance on Jesus! Adventure VBS 2010 is July 26-29, 6-8 p.m.! Sign ups have begun! Click [here](#) to download a VBS registration form. (Registro en español) Print it, fill it out and fax it, mail it, or drop it off to the church office (be sure to sign the back side).
