

Children's Ministries

We offer a variety of experiences designed for children to deepen their spiritual understanding and commitment, and to enhance their relationships with each other, with the church family, and with the community.

Sunday Mornings

9:15 a.m. - noon - Infants– 3 year olds

Nursery care is available from 9:15 a.m.-noon for infants and toddlers through two years old.

The Sunshine Club is available for three year olds 9:15 a.m.-noon. Paid employees together with adult volunteers are trained to care for your infants and toddlers.

9:30-10:30 a.m. - Worship Service

Children four years old to 5th grade are dismissed from the worship service for Super Church where they learn a Bible story, have a snack and interactive play time. They return to the sanctuary near the end of the service.

10:30 a.m.-10:45 a.m. - Kids Worship Rally and Sunday School

Children four years old through 5th grade meet in the sanctuary immediately following the worship service for a time of worship especially designed for them. They all then go to Sunday School.

10:45 a.m.-11:45 a.m. - Sunday School

Children in Pre-K have a class geared right to their needs.

Children in K-3th graders get to experience Bible stories in a rotational workshop setting. Each month there is a different Biblical theme, and each week the grade groups rotate to a workshop that learns that story in an interactive setting such as art, drama, cooking, games and the movie theater.

Those in 4th-5th graders will be a part of Club 45. They will learn how to read and use the Bible and how to pray while relating this to their daily lives.
