

## Serving around the World

### Missions Team

McMinnville Covenant Church supports a wide range of missions efforts throughout the United States and abroad. A missions team consisting of church members and friends meet once a month to allocate resources and develop new ministries.

### Domestic Missions

Domestic Missions outreach includes the Salvation Army, Young Life, Yamhill County Gospel Rescue Mission [YCGRM operates a Cold Weather (Homeless) Shelter as one of their ministries], Campus Crusade for Christ, and various community service efforts. The Covenant Missions Team acts as a resource center and coordinator for outreach whenever requests by church members or interested individuals within the community at large.

### Overseas Missions

McMinnville Covenant assists with short term missions trips throughout the world. Long term missionaries who receive support from McMinnville Covenant serve every continent and hemisphere. Opportunities for youth to travel directly to the missions field and serve on a short term basis has been a hallmark of our effort to develop positive faith centered relationships with other communities.

### Team Efforts

McMinnville Covenant assists in a wide number of team efforts involving missions throughout the world. Among the efforts we support are: Covenant World Relief, Covenant World Mission, Water First International, Open Arms Ministries, Perspectives, YAHOO and others.
