### WEEKLY EVENTS (during the school year)

Sunday School meets at 10:45 a.m. after our worship service. Each week we have fun while learning about scripture and God's truth in a practical way. Each year our curriculum alternates between the Old Testament and New Testament. Confirmation is offered to all students who have completed 6th grade. It is a two-year discipleship course that involves class time, small groups, service projects, individual study, and an annual trip. Youth Group (R.U.S.H.) for middle schoolers has shifted to Tuesday evenings from 6:30 to 8:00. The theme for the year is Rising Up Serving Him. The evening is filled with fun activities, great interaction, and a devotional about how God is active in our lives. Contact:
