

Welcome Team

The Welcome Team serves the church by greeting people at the entrances, handing out bulletins at the sanctuary doors, and staffing the information booth to answer questions people might have on Sunday mornings.

This group works on a rotating schedule and people usually are assigned to serve as a door greeter, bulletin distributor or Info Booth staff once every other month.

If you would like more information about the Welcome Team, or would like to sign up, please contact Katie Sparrow; 503-472-9021.
