
Summer at Cascades Camp

Double Fun Family Camp July 5th-8th

If you're interested in attending family camp this year check out Double Fun Camp. We already have several Mac Cov families signed up. We are not holding a specific church camp at Cascades this year, we are instead encouraging people to attend this great weekend. The Double Fun Camp is July 5-8, 2009 and is Cascade's newest summer event. It is programmed in just the right way, giving you the encouragement you've been looking for, and the freedom for renewal in the way you best see fit. It's laid-back for adults, but we'll take the kids and provide days filled with quality programming. Whether you're looking for connection with others in your life stage, quality time away as a couple, or simply the opportunity to let your young kids spend time at camp while you relax – This is designed for you. Simple, inspiring worship and relevant teaching will make your time away complete. [Click here for more information on Cascades family camps and registering.](#)

There are a lot of camp opportunities at Cascades. They offer camps for children, youth, family, couples and more. [Click on the link above to visit the Cascades page and find out more.](#)
